

Cookie Policy

Last modified: July 2015

On this website <http://franchisor.ikea.com/> (the "**Website**") Inter IKEA Systems B.V. may transmit cookies. This Cookie Policy explains the following:

- what cookies are;
- what cookie we place; and
- how you can disable cookies.

Cookies

A cookie is a small text file that is stored on your computer or other device used to visit a website (hereinafter all together: "device"). Because a cookie is stored on your device, the Website server can recognise your device. A cookie cannot launch programmes or spread viruses.

In so far as we collect information about you by using cookies, we process this information in accordance with our Privacy Policy.

Cookies on our Website

We only use a functional cookie necessary to enable navigation across the Website. This cookie is used for load balancing to make sure your page requests are routed efficiently. You may find more detailed information on this cookie in the table below.

Functional Cookie					
Name	Purpose	Placed by	Information captured	Accessed by	Expires
ARRAffinity	Maps a client to a content server behind Application Request Routing (ARR)	Website engine	Randomly generated string	Website engine	When user exits browser

Disabling cookies

Most browsers accept cookies automatically, but can be configured not to do so or to notify the user when a cookie is being sent. If you wish to disable cookies, refer to your browser help menu to learn how to disable cookies. You can set up your browser in such a way that no cookies are stored, that you can accept or reject each cookie or such that all cookies are deleted when you close your browser. Please note that if you disable the cookie we place, you may not be able to efficiently browse through our website.
