Appliances

5 Year Warranty

What is covered under this warranty?

The warranty covers deficiencies of the appliances caused by faulty construction and/or faulty materials existing on the purchase date at IKEA.

What is not covered under this warranty?

- LAGAN and TILLREDA built-in appliances with a two (2) year warranty
- Consumable parts including batteries and bulbs
- Damage to the following elements: ceramic glass, accessories, crockery and cutlery baskets, feed and drainage pipes, seals, lamps and cover plates, screens, knobs, casings and parts of casings
- Non-functional and decorative parts that do not affect normal use of the appliance, as well as scratches and possible colour differences
- Accidental damage caused by external objects or substances or caused by cleaning detergents or unblocking of filters, drainage systems or soap drawers
- damage caused by careless use, or caused by non-observance of operating instructions, incorrect installation or connection of the product to an incorrect voltage, damage caused by electrochemical reaction, rust, corrosion or water damage including but not limited to damage caused by excessive lime content in the water, damage caused by deviating environmental conditions
- Cases where, upon inspection, the technician could not find any fault.

Important to know:

Within the warranty period, the costs for remedying the problem, e.g. repairs, parts and labour, will be covered, provided that the appliance is accessible for repair without any special expenditure. The reparation will be carried out by an IKEA service partner or a provider appointed by IKEA. Reparation services carried out under a warranty do not extend the warranty period for the appliance, or for any new parts.
